

Rehab Mart

BYOB

To encourage our customers to “Bring Your Own Bag”, we are charging the supply of plastic bags (from 10 cents upwards). Proceeds will go to the Singapore Environment Council for funding its environmental activities.

As consumers you have the power to change things by consciously making the switch to reusable bags. Let's do our part to support a worthy cause and help protect the environment.

Each year, an estimated 500 billion to 1 trillion plastic bags are consumed worldwide.

That's 1 million per minute.

Billions end up as litter each year.
