

TENA Slip™ Super

TENA Slip Super features contoured, elasticized edges that ensure maximum security and comfort.

TENA Slip Super has been specially designed for those care recipients with greater needs and who could be either bed-ridden or over-active.

A **water-repellent barrier** provides extra protection. Thanks to the **Tape Landing Zone**, the fixation tapes can be readjusted time after time without tearing the product.

TENA Slip Super is twice as absorbent as Plus. It is *available in 3 sizes: small, medium, and large.*
