

TENA for Men Level 2

TENA *for Men* is available in two levels of absorbency and protection, both offering you all-day comfort, dryness and security.

This pad is anatomically shaped and can be worn with underwear. It's discreet yet provides that extra absorption you may need.

Anatomically designed for the male profile, TENA *for Men* Level 2 offers greater absorption than Level 1 - with exactly the same discreet comfort, confidence and odour control.
